English 

PROFILE

Driven and adaptable professional with a strong foundation in computer science and a passion for learning in dynamic environments. Participated in a coding competition, showcasing problem-solving and resilience under pressure. Beyond technology, brings 12 years of experience as a guitarist, performing for hundreds, which has cultivated creativity, discipline, and confidence in public settings. Skilled at quickly mastering new technologies and eager to contribute to innovative projects while continuously growing both technically and personally.

ACADEMIC EXPERIENCE

Frontend Development

Integrated Project 2024

- Developed a website similar to a blog/Reddit. This website, made for a company, was part of a class named Integrated Project.

Competitive Programming

National Computer Olympiads 2019

- Achieving 22nd place nationwide, the National Computer Olympiads was a great opportunity to develop programming and problem solving skills

Youth Parliament

National Youth School Sports Championships 2018

- Participation during the debate phase to choose the table representatives for the district of Viseu.

PERSONAL EXPERIENCE

Musician

Escola Secundária Viriato 2018 - 2021

- Played the guitar together with other members of the Musical Group.
- Together we performed for over 700 people during our high school's birthday in 2018 and 2019.
- We had our own musical/skills event, Viriato Com Talento, that happened in Aula Magna at Instituto Politécnico de Viseu

Volunteer

National Youth School Sports Championships 2018

- Helped students coming from all over the country settle in and know our city better.

Swimming

For Life - Palácio do Gelo 2010-2018

- Practiced swimming for 8 years at For Life. Participated in multiple final year competitions for kids learning there.
